Results Revolution Master Class

Do you long for the feedback and wisdom from other small business owners who aren't your competition? Are you looking for more detailed guidance as you start your Results Revolution? Then Results Revolution Master ClassSM is for you!

This twelve-week class taught by Marianna Hayes will place you in a class with nine other small business owners (verified as non-competitors) via teleconference to master the "Twelve Steps to Revolutionize Your Business." Based on Hayes' popular seminar by the same name, each week will focus on one step in the process, walking the group step by step towards a Results Revolution. Class members give and receive input to and from each other and Hayes. Class fee of \$385 includes toll-free call-in, class materials distributed prior to first class and more.
